Scene in Manchester: Bars boost Battle of the Badges

..
NH365.ORG Event of Week

I recently saw “Killer Heels: The Art of the High-Heeled Shoe” exhibit at **Currier Museum of Art**, and I was surprised by how much I liked it. I’m more of a sneaker gal, but the mix of old and modern female footwear on display was really interesting, although a bit weird. The show runs through May 15, and there are a couple upcoming events designed to add to the experience.

..
High heels are optional in the **Steady in Your Stilettos: The Art of Balance** yoga class scheduled for today, and again on March 28.

..
Following the 1 p.m. yoga classes, led by **YogaBalance** instructors, yogis can tour the Killer Heels exhibit with a docent educator.

..
The cost is \$15 per class. This Thursday, March 24, the Currier will show the 2005 film “Kinky Boots,” as part of its **Late Night Film Series**.

..
The galleries will be open from 5 to 9 p.m. and the film starts at 6:30 p.m. It is free with admission.
