Picnic in the Park

I like the **Greater Manchester Chamber of Commerce's** new **Picnic in the Park** program this year, moving from a few, small summertime picnics to one, big picnic on Wednesday, Aug. 12.

"Our vision for this picnic is to encourage everyone in this community to come together and enjoy the park, have some lunch and soak up the sunshine," said **Michael Skelton**, GMCC president. "We want the community to realize just how much potential our city parks have and what great green spaces we have so close by."

At **Veterans Park**, there will be live music, picnic tables and activities. Attendees are welcome to bring a bag lunch, or can purchase from food vendors including **Ipswich Clambake**, **Ben & Jerry's** and **JD's Tavern**. **Yoga Balance** will offer a free class from noon to 1 p.m., and **Max** from the **Manchester Monarchs** will bring some fun & games.

No registration is necessary, but anyone with questions can contact Member Communications Manager **Lauren Kannenberg**, at laurenk@manchester-chamber.org or 792-4119.
