About YCA@Home:

Harnessing the proven Young Chefs Academy methods that have been teaching kids across the globe since 2003, Young Chefs Academy cooking schools for kids bring a new culinary adventure delivered right to your door each month. Curated just for you and your child, our twelve month program will take your child through a sequence of hands-on cooking lessons and fun activities, thoughtfully designed to build cooking skills to last a life time. Each month your child will receive a sticker to place on their "Progress Tracking Poster" as they work toward the goal of becoming an official YCA Master Chef. At the completion of the program, your child will be able find their way around the kitchen and through recipes with confidence. They will also receive a

specially embroidered patch commemorating their coveted “Master Chef” status.

As a member, each month a packet addressed to your child, containing specially themed recipes, lessons, and activities, including a special “secret ingredient”, is delivered to your door.

In addition to the monthly subscription packets, you will enjoy access to a members only website, where the joy and value of cooking the YCA Way is brought to life, including cooking resources, interactive activities, picture sharing, instructional slide shows, bonus recipes, cooking quizzes, and more!
