To Register: www.alaskachamber.com/ABW

Alaska Business Week (ABW) is a one-week summer program teaching Alaskan high school students the basics of business, leadership and entrepreneurship. Participants live on a college campus, and work as teams in a dynamic business simulation with the guidance of a mentor from the business community. After completing the program, students have a competitive edge on workplace readiness, college preparation, and overall life success. ABW gives participants the tools they will need to succeed after their high school graduation.
