

Jovinna Chan, E-RYT 500, Co-founder of Shakti Initiation, is a transformational leader and yoga teacher. Her practice began at a young age in Singapore, when she started delving into yoga, dance, and martial arts. Through her practice, she cultivated an intimate understanding of the body's capacity for creative movement and expression.

She has served as the Assistant Dean, and a 200-hour and 500-hour teacher trainer for the Kripalu School of Yoga. She is also certified in LetYourYogaDance, an ecstatic dance that aligns the chakras, and is a transformational facilitator for Soul Motion™, founded by movement master Vinn Martí.
