#### **MODEL AP-MT-4/8/10/14/17 MULTI-MOUNTS**

Stainless Steel/Aluminum. 4", 8", 10", 14 5/8" and 17"

With Angler's Pal Multi-Mounts, your fish finder/depth sounder can be mounted anywhere in the boat and quickly positioned for easy reading. They give you a full 360 degree hemisphere of possible positions, and a universal ball locking device with a select position locking knob. An Allen Wrench easily removes your equipment for security or storage.
