Host a Mixer

Mixers are a great way to showcase your company as well as network with other Chamber members.

As a Chamber member, you are given the opportunity to host a mixer at your business or, if your business is not in Brandon, you may co-host your mixer at a Brandon location or take part in our November MEGA-Mixer.

Mixers are on a monthly basis so not everyone will be able to host that would like to. We will do our best to be creative in getting as many business a mixer in 2015 as possible.
