

Outstanding Business/Non-Profit of the Month

As the Clayton Chamber of Commerce, we strive to honor businesses and non-profits in Clayton and the surrounding community on a daily basis. We want to honor the businesses and non-profits that make a difference in our community by having excellent customer service, community service, and Chamber involvement. We want to recognize those who go above and beyond the call of duty to help grow and develop our town!

Please nominate a local business or non-profit to be considered for this honor. Each month, the Chamber staff will select a winner based on nominations received, and we will honor that month's winner on the last Tuesday of the month. Winners will receive a sign to display for the following month and will have a presentation ceremony at their place of business!

Nominations for businesses and non-profits who are not selected to win that month will be held and considered for the next two months, after which they will be dropped from consideration. After their consideration has been dropped, the company or organization may be nominated again.

At our 67th Annual Meeting on Tuesday, January 23, 2018, we will choose our Outstanding Business/Non-Profit of the Year by reviewing our monthly winners. This business or non-profit will be honored at our Annual Installation and Awards Ceremony!

Qualifications:

- Nominee must be a Chamber Member in good standing with the Clayton Chamber of Commerce
- Must provide great customer service
- Must be involved in community development
- Must do community service sometime throughout the year

Nomination Form
