Saturday Street Market August 8th

This year the Saturday Street Market will be held on the 2nd Saturday of each month starting in April and ending in October. The hours will be 8:00a - 1:00p.

The Saturday Street Market was started to serve as a community gathering place where local farmers, producers, artisans and residents can offer fresh agricultural produce and other products/goods to a marketplace. Also created to generate a sense of community and local pride in Coweta.

The first 2015 Saturday Street Market was on April 11th from 8a - 1p. The next Saturday Street Market will be held on June 13th. The market will be located on Sycamore Street between Broadway and Bristow Streets.
