Every child needs a hero, however, every abused and neglected child needs a SUPERHERO! Get your costume ready! Show your support at the finish line by wearing your superhero costume (costume optional), walk/run desired course, or become a sponsor. This year includes an opportunity to sponsor the "Forever Homes Wall of Hope." For as little as \$50, you can sponsor a child who needs parents and make a difference in that child's life.

Sponsor a child such as Liliana who is an energetic, affectionate 7 year-old girl. She enjoys texturized toys, blocks, and silly putty. Her favorite movie is Princess and the Frog. Liliana needs a forever home.

To register visit www.active.com or call the CASA of the Pines office at 936.634.6725 to get a registration form and sponsorship details.
