Model FD 320

DOCUMENT FOLDER

Standard Features:

- **“Drop-in” Feed System** – No fanning of paper required. Simply square the paper and load in the hopper.
- **Easy Set-up** – Common folds are clearly marked on both fold plates.
- **Variable Speed** – Up to 11,000 sheets per hour.
- **Hopper Capacity** – Up to 250 sheets of 20# paper can be loaded at one time.
- **Paper Sizes** – Handles paper sizes up to 11 3/4" x 18" paper.
- **Conveyor System** – Allows for neat, sequential stacking of folded documents.

The FD 320 document folder offers a new level of performance and affordability. Made with ease of operation in mind, the FD 320 utilizes a “drop-in” feed system which eliminates the need to fan the paper. Clearly marked fold settings makes this machine ideal for any church, school, business or department. These features allow for both quick and easy set-up. As with all Formax folders, the FD 320 consists of a heavy-duty steel frame and molded, high-impact side covers.
