

Energy Services Federal Credit Union Partners with Allpoint to Extend ATM Network!

Energy Services FCU Members now have access to Allpoint Network, America's largest surcharge-free ATM network.

May 9, 2017- Energy Services Federal Credit Union will offer its members access to 55,000 **surcharge-free ATMs** nationwide beginning this month as a part of a new partnership with Allpoint Network, the largest surcharge-free network in the United States and worldwide.

Allpoint Network ATMs are conveniently placed in premier retailer locations which are within Energy Services FCU branch footprint as well as nationwide and beyond. Allpoint Network ATMs make cash access quick, easy and **surcharge-free** for Energy Services Federal Credit Union Members.

How to find Allpoint Network

Allpoint Network, the world's largest **surcharge-free ATM network**, offers member's access to 55,000 ATMs across the United States.

Energy Services Federal Credit Union's members can always find the nearest participating **surcharge-free ATMs** using the Allpoint ATM locator online or by downloading the free Allpoint mobile app. And once at the store housing an Allpoint ATM, look for the green Allpoint logo.
