

## Chamber Energy Program

We are pleased to announce that our chamber has partnered with **Community Energy Advisors (CEA)**. CEA is a Public Utilities Commission of Ohio certified energy management firm that educates and empowers organizations of all sizes to maximize the economics of their energy assets.

Through the **Chamber Energy Program**, CEA provides Chamber members with **Education, Savings, and Protection** on both regulated and deregulated energy expenses. With a credible partner looking out for your bottom-line, you can enjoy peace of mind and “budget-ability” when it comes to your utility costs.

**Education** - The regulated and deregulated energy markets are increasingly complex. To aid you in remaining proactive, making informed decisions, and budgeting your utility expenses, CEA provides timely and relevant information.

**Protection** - To help protect you from scams, fraudulent activity, and unexpected costs, CEA provides informative emails, blog posts, and seminars.

**Savings** - Paying more than you should for electricity and natural gas can add up to thousands of lost dollars that you could be investing back into your business. The Chamber Energy Program creates “market power” by shopping members together, driving suppliers to compete for their business and ultimately reducing energy prices. Ensure you are paying the most competitive market rates by enrolling in the program!

**To view available rates and enroll online today, simply grab a recent copy of your electric and natural gas bills and click the enroll button below, or copy and paste [ceateam.com/chamber](https://ceateam.com/chamber) into your web browser.**

**If you are looking for information to help you cut out the noise, protect your company, and take control of your energy budget, visit CEA’s Energy Resource Center at: [ceateam.com/energy-edu/](https://ceateam.com/energy-edu/)**
