

ERIE COUNTY Chamber of Commerce

WEBSITE BANNER ADVERTISEMENT

Increase traffic to your website, visibility to chamber-members and the public by placing a banner ad on the Erie County Chamber of Commerce website! A banner ad is a direct link to your company website or chamber listing. You'll also receive an **enhanced webpage listing**. That allows you to add more information and graphics on your chamber website listing—and you'll get to keep that enhancement after your banner ad expires. Please call the Chamber office at **419-625-6421** to discuss your banner ad!
