

expert network

COSE knows that you have questions that need answers.

To address this need, COSE created the **COSE Expert Network** - a free resource that connects you to experts who are eager to share their wisdom.

Each COSE expert is available to answer questions, providing 60 minute, in-person consultations or connecting via email or phone to provide feedback or information. All experts are reviewed by COSE and approved prior to being added to our expert list.

**To get answers to your business questions
or to set up a consultation with an expert visit

Do you have expertise and want to know how you can partner with COSE to display your expertise in the *Update* magazine, *Crain's Cleveland Business* or the COSE Blog? Want to meet small business owners in need of your assistance? Check out the benefits of being an Expert at cose.org/becomeanexpert
