

Copy Programs – Esultants Web Services

Basic - \$400

For websites with 10 pages or less

- Content entry and review

Our Copywriting Process

1. Review Current Website
2. Receive Completed Design & Copy Survey
 - Review goals with current site
 - Evaluate page needs (nav, content, etc.)
3. Determine Site Navigation
4. Copy Review & Comparison
 - Evaluate old site copy with new navigation
 - Determine what needs there are in the content
 - Ask client to provide missing content (text, images, charts, forms, PDFs)
5. Proofreading & Finalization of Text
 - Add in missing content
 - Write copy to finish the text
 - Revise to add keywords, format for the web with lists, shorter paragraphs, headers
6. Insert Content into Site
 - Upload all images, PDFs and files
 - Create navigations and pages
 - Add content noting layout and formatting for mobile and desktop
7. Website Launch Checklist
