Get ready to delight your senses with our incredibly delicious, yet high-fiber, functional food bar whose taste rivals that of a Peppermint Pattie! It's rich, dark chocolate outer coating surrounds a creamy, naturally flavored peppermint filling that contains high-quality, health promoting ingredients.

Coach's Choco-Mint Fiber™ Bar is an ideal, high-fiber, between meal snack, offering a generous 13 grams of soluble fiber. These bars support digestive health because they contain healthy prebiotics that act as food for probiotics which stimulate the growth, and support the maintenance of beneficial bacteria. And, they help with the absorption of important minerals such as calcium and magnesium.

One bite of this chewy delight is all you will need to think differently about eating beneficial fiber.
