

COACH IMMUNO BAR™

The
Exercise
Coach.

Imagine a blend of rich, dark chocolate with a generous amount of moist, creamy coconut filling that provides a taste that will rival even a Mounds® bar! Now imagine that it's good for you!

The Coach Immuno Bar™ is an all-natural delight containing ingredients that enhance general immune function and help reduce symptoms of the G.I. tract associated with IBS, IBD, or other intestinal disorders. Coach Immuno Bar™ features 11 grams of natural, soluble, prebiotic dietary fiber that naturally stimulates the growth of beneficial bacteria and may positively affect mineral absorption, bowel pH, immune function, and composition of intestinal microbiota.

Go ahead—eat your Coach Immuno Bar™ because it tastes so good! Your body will thank you.

Benefits at a glance

- Great chocolate and coconut taste, smooth texture
- Excellent snack ~ only 140 calories
- All natural, kosher food bar, gluten free
- 500 mg of Tegrice1™ colostrum per bar to enhance general immune function
- 11 grams of natural, soluble, prebiotic fiber per bar
