

GAME ON! Summer Sunday School

Sunday Mornings at 10:15 a.m.

This summer we will be heading outside to play faith-based games and hang out on our new playground!

Kids ages 3 years through 6th grade are invited to join us. We will meet in Room 102.

Thank you Fellowship for supporting another great VBS!

We had such a great week at Vacation Bible School. Many thanks to all of the wonderful volunteers who spent countless hours making it such a huge success!

Our Mission Project partnered us with the Coffee Bunker. Kids brought items to make "Lunch Paks for Vets" and we built a huge mountain with our goodies! On Sunday, 100 Lunch Paks were packed and will be delivered to the Coffee Bunker this week. What an amazing example of God's power through the servant hearts of children. On Thursday, Josh's Sno Shack came and provided icy sno cones for all of the kids and volunteers. We had a lot of fun during Vacation Bible School and the kids really connected with our theme focusing on God's Power. On Wednesday, the Bible Point was "God has the Power to Heal." In order to bring the Bible to life for kids, I broke my ankle to really bring the point home! Just kidding! :) Thanks to everyone for your thoughts and prayers and help during my recovery. It will be a VBS I will never forget! - Kara

Servant Leadership Experience Chicago July 11-18, 2015

Please keep our team in your thoughts and prayers as we travel and serve in Chicago. We will be staying at Naomi Anderson's new church, so if you would like to send a note for her with us, we would be happy to hand deliver it!

Rising Village Foundation Vision Trip June 2015

On June 3rd, I set out with a team of 5 other people to begin our journey to Ghana, Africa with Rising Village Foundation. Since I have been back, many of you have asked, "what was your favorite part of Africa"? With some time to process, my answer is *the people*. I met a lot of wonderful people who are kind, faithful, joyful and thankful. This included Emmanuel, the student our youth sponsor, and his grandmother and sister, Dorcas. I got to see where he lives and visited him in school. I learned that Emmanuel is focused on excelling in school and has stepped into a leadership position among his classmates. I am so grateful for every minute I was able to spend with him. I am also thankful for our youth who have invested in the life of another student thousands of miles away. It is always amazing to me to see the ways in which God works in and through us. I am humbled. -Jennifer
