

## FREMONTCHAMBER BUILDERS BUREAU UPDATE

Below is a listing of *New and Current Building Plans* available in the Plan Room at the Fremont Builders Bureau – 128 East 6<sup>th</sup> Street. To check the availability of the plans or to make a reservation, please contact the Fremont Area Chamber at 402.721.2641. We do have a **24-Hour** check-out policy for all plans.

\*\*If you secure a bid and need a copy of the plans, please contact us. We normally do not ship them back to the Architect. We hold them for several months, in case there would be a re-bid and then send them to recycling. We would be happy to provide them to the contractors who could use them
