Someone once said, "There are no strangers here, only friends we haven't met." That could be said of those who gather for the Girls' Camp this summer.

You are invited to join that group of new friends where you will enjoy tenting, a variety of activities and become aware of the many ways God is present in your lives.

Like Saint Francis, who loved creation, our time will be spent mostly in the beautiful outdoors. There, you will discover a new sense of peace that comes when we realize that God is all around us, within us, in the awesomeness of nature and in the person by our side.

Francis and Clare of Assisi both believed that peace is possible. We invite you to discover that possibility for yourself.
