

Powered by  First Data.

EXCLUSIVE OFFER ...

We've negotiated a great rate with First Data for payment processing, available only to our members. The agreement offers numerous benefits, including:

- Money-saving price structure for all debit and credit card transactions
- Easy implementation and training – No interruption on your business
- One convenient statement, incorporating all card transactions
- Free online reporting and toll free customer support 24/7
- Consultation on the latest technology
- Compatible with all Point of Sales devices
- Next business day funding – No need to change banks
- Personalized service
- PCI and EMV Compliance

Our strategy with our merchants is to fully understand how they are processing payments and develop customized savings solutions to drive down costs and improve processing efficiency
