

A Simple Truth about Success...Become a Volunteer

Namaste my fellow mentors/tutors,

Make the REST of your life the BEST of your life...a life of exceptional MEANING, PURPOSE and far greater SUCCESS.

There is a simple truth about success.

Everything you will ever BE, DO or HAVE in life comes down to 3 simple variables — all of which are within your complete control: 1-Your VALUES... 2-Your VISIONS... and 3- The ROLES you play to LIVE your Values and ACHIEVE your Visions.

Triangulate these 3 variables into your Natural Mission and you will find the enduring success you desire. You will run fast in the direction of your dreams... living a life of passion and purpose... and discover the wonder of living your BEST life every day of your life.

Fail to unite these 3 variables, and you will spend the ONLY life you have to live on things that simply do not matter. You will run faster, chase harder, and spend countless hours wishing and wondering... never quite getting what you want out of life — or getting to where you want to go.

Your role as a volunteer makes discovering your 3 personal variables quick and easy... listening and learning... discovering and doing... you will be at the Starting Point for a life that you will love... a life that gives you true meaning and purpose... a life that truly matters.

Yes, putting your life back on track does not have to take years. It takes just a few hours a week.

If you feel like you are running in circles, pursuing the same old dreams and goals... if you want to feel a strong calling filled with passion and purpose... if you want to become all that you are meant to be... all that you know in your heart, you can be... get started right this minute. Do not wait one second longer to start living your BEST life.
