

### *The Good Earth Food Co-op Community Donations Request Form*

At the Good Earth Food Co-op we are deeply committed to our community. We are pleased to be able to offer small (\$10.00-\$20.00) gift cards and product donations to a variety of local community groups through our Community Outreach and Donations Program. All donations will be considered.

Because our monthly donations budget is limited, we advise you to apply four weeks in advance of your event whenever possible. Priority is given to local organizations and events involved in promoting holistic health, improving the environment, focusing on food and nutrition issues, and addressing social concerns. If you have any questions about your donation, please contact Amanda Hegreberg at [amanda.hegreberg@goodearthfoodcoop.coop](mailto:amanda.hegreberg@goodearthfoodcoop.coop) or give us a call at (320)-253-9290.
