Granville Child Care Center

a program of kids' space inc.

Established in 1968 and relocated to River Road, in August 2000, the Center is a program of Kids' Space Inc., which is a privately owned company.

Well trained early childhood educators meet or exceed strictly enforced state standards and regulations. The staff understands that the best learning is active learning. Classroom environments and activities are planned with this in mind. We are eager to learn about each child's family, cultural background, experiences, and current circumstances. With this knowledge, we create a program that fits the children and the families we serve.

Full-time infant care is available every day, starting at 6 weeks of age. The Center offers full-time child care with preschool every day for those children who attend on a full-time basis.

The K-Plus program is for children who attend the Granville kindergarten program for half day. The Granville School District provides bus service to and from the Elementary School.

Owned and operated by Robert M. and Ruth Ann Parsley.

Monday – Friday 6:30 AM – 6:00 PM
1062 River Road • Granville, Ohio 43023
