edition the Wild Horse Desert Print Fair and Exhibition revises the version of this scenario. Instead of the wild mustangs the print fair displays hand-pulled prints metaphorically galloping across South Texas. Regional Artists will display fine art etchings, lithographs, silkscreens and hard-carved relief woodblocks that were printed under the drum of a 2-ton steamroller. The opening is scheduled for Saturday July 9th from 6:30 pm to 9:30 pm and is free and open to the public. The exhibition will be on view until September 2, 2016.

The public will have the opportunity to sign up for a relief printmaking workshop scheduled from 1:00-4:00pm Saturday July 9th. Register by visiting, www.ogprints.com/workshop.
