About Us

Green Office sells environmentally friendly office supplies from recycled materials at great prices. We sell recycled paper ranging from notepads to envelopes, to copier paper, ink cartridges, construction paper, and more. Green Office offers a complete range of office supplies, making it your one stop shop for your office supply needs. We recognize that shopping must be as trouble free as possible and pleasant, if it expects to form a long-term relationship with customers. We offer an unprecedented level of customer attention, because we know how important it is as a customer to have your needs taken care of and in a timely manor. Our mission is to provide you with environmentally friendly office supplies that are the same price as non environmentally friendly office supplies.
