## THE TOP TEN REASONS WHY YOU SHOULD BE A MEMBER OF THE LAMPASAS COUNTY CHAMBER OF COMMERCE

### **10. You get a sales representative for less than 1 cent a day.**

It's true. We get many requests for goods and services each month and we refer these to our members.

### **9. Resources and assistance.**

We maintain a data base with statistics and information of all types. When a member needs help, we try to do our part.

### **8. Representation.**

The Chamber is the voice of the business community to local government, and on the state and national level, it is constantly working to develop a better climate for doing business.

### **7. New customers.**

Our tourism and events promotions bring people in our community each year, people that you can work to convert to be one of your customers.

### **6. Local buying keeps jobs.**

The Lampasas County Chamber of Commerce promotes and works to keep money circulating at home, turning over within our community.

### **5. New business contacts.**

A major reason that many people get active with the Chamber is because they get to meet and network with other business people.

### **4. Publicity and exposure.**

Those who play an active role with the Chamber get wonderful exposure for themselves and for their business.

### **3. WE KEEP OUR MEMBERS INFORMED.**

Through news releases, meetings, business-after-hours-mixers, events, and special mailings.

### **2. We offer a chance to MAKE A DIFFERENCE.**

By joining with other members to work together to improve the quality of life and the economic climate of the community.

### **1. And the number one reason is: IF WE DON'T, WHO WILL?**

#### **Remember:**

We don't buy glasses, we buy better vision.

We don't buy a newspaper, we buy news and information.

We don't buy a house, we buy shelter and comfort.

We don't buy insurance, we buy security and protection.

And... We don't buy a Chamber membership; we buy the cooperation and assistance of the most capable business and professional people in the community. We buy a better business climate and a better community in which to live and do business. If we are in business, we should be a part of the Lampasas County Chamber of Commerce.
