8) Updates from Other Groups	
a) Elders in Action	TBD
b) Foundation Board	Gary Floss
c) Evangelical Lutheran Church Women	Margo Kuivanen
For the Good of the Order	
Adjournment	

Finance Committee

Describe your role and focus at Ctk:

The Finance Committee is responsible for reviewing the annual budget requests from Christ the King committees in relation to the total amount of annual pledge contributions. The spending of committees must be aligned with the annual pledged contribution of members.

The committee is also responsible for reviewing the monthly Financial Statements of Christ the King to ensure that spending of committees is within budgeted funds for that period. Any areas of concern would be presented to the Church Council for their consideration.

Ministry Summary for 2016-2017

- Reviewed and recommended to the Church Council the approval of the 2017 deficit budget for presentation to the congregation at the 2017 Annual meeting.
- Recommended communication be prepared for the congregation through a letter and message during worship services the two Sundays before the annual meeting to communicate the shortfall for the 2017 Operating Budget.
- Revised Financial Policies of Christ the King Lutheran Church and submitted to Church Council for approval.
- Recommended audit firm to conduct the audit of 2016 Christ the King Financial data and related internal controls in June 2017.

Top Goals:

1. Review 2017 non-personnel budget items to determine if funds can be better optimized to further the mission of Christ the King Lutheran Church.
2. Establish policy for Christ the King Lutheran Church that guides congregational members on the acceptance of designated gifts for approved ministries or programs administered by the church.

Property Committee

Describe your role and focus at CTK:

The Property Committee works with staff, volunteers and contractors to provide a clean, safe, well-maintained church (building and grounds) so that ministry can take place in a welcoming environment.

Ministry Summary for 2016-2017

In 2016-2017, the Property Committee has lovingly maintained Christ the King church and grounds with a special focus on these three areas:

1. Replace the 30-year-old failing Sanctuary Air Conditioner - Funds were set aside in the 4M Capital Campaign to replace it. The committee researched options, received three bids and is set to have the new unit installed before summer.
2. With the support of the Faith Community Nurses, create signage for five parking spaces reserved outside of Door #12 for those who have limited mobility. The signs will be posted this spring.
3. Other projects completed this year include:
 - adding a water meter for the irrigation system,
 - cleaning the upholstery in the Fireside, Narthex and Library,
 - installing heat tapes on the roof to prevent ice dams and roof leaks;
 - replacing four toilets, four faucets and parking lot lights; and
 - numerous minor AC and heating repairs.

Top Goals:

1. Continue to work with staff, volunteers and contractors to provide a clean, safe, well-maintained church (building and grounds) effectively and within the budget.
2. Explore the possibility of refurbishing the Trinity Rooms with a decorative, functional lighting system designed to provide adequate light for meetings and presentations. The remodeling may include refurbishing the walls to make them look attractive and to reduce sound.

Global Mission Team

Describe your role and focus at Ctk:

The Global Mission Team has a number of strategies for carrying out the mission of Ctk to make disciples for Christ through:

- Planning and implementing activities such as mission trips, Global Mission Sunday, Alternative Christmas gifts
- Outreach and relationships by communicating with leaders and members of Nduli Parish, Iringa Diocese, MaaSAE Girls Lutheran Secondary School and Moringe Sokoine Secondary School, Arusha Lutheran Medical Center, students, etc.
- Communication of the GMT Mission in various ways (e.g., display case, bulletin Board, articles in the Herald, publicity on the screen on Sunday mornings)
- Financial support to ELCT Iringa Diocese, Nduli Parish, high school and post-secondary students, Arusha Lutheran Medical Center)
- Writing and submitting grant applications to the Ctk Foundation to assist with the financial support of many of these global mission efforts

Ministry Summary for 2016-2017

The Global Mission Team gifts & projects are in alignment with the three elements of the Ctk mission: Gathering, Growing, Giving.

During the 2016-2017 program year, the Global Mission Team (GMT) focused its efforts on the following four areas:

- Planned and completed the 2016 Alternative Christmas Gift event throughout Advent to raise funds for programs in the Nduli Parish and Arusha areas.
- Allocated funds for scholarships to students in both the North Central Diocese (Arusha area) and in the South Iringa Diocese. Funding for these scholarships came from Ctk individuals sponsoring specific students, from Global Mission Sunday gifts, and from memorials.
- Invited Pastor Medson Chengula and his wife, Maka, to come to Minnesota and preach at our Global Mission Sunday service. This visit took place from April 25 – May 3, with the service on April 30. Pastor Medson serves at the Nduli Parish, our companion congregation in the Iringa Diocese.
- Received a grant to help replace shingles on the chapel roof at the MaaSAE Girls Lutheran Secondary School in Monduli.

Top Goals:

Goal 1: (Gathering) The GMT will facilitate the building of relationships through direct contact and participation in the Companion Congregation program (Bega Kwa Bega), sponsored by the St. Paul Area Synod, with Nduli as our partner, and collaboration with Operation Bootstrap Africa for sponsoring events for global mission during the 2017-2018 program year.

Goal 2: (Growing) The GMT will promote cultural understanding and education by inviting individuals/groups to visit in the Iringa and/or Arusha areas (and other global mission travel opportunities), by promoting an annual Global Mission Sunday, by encouraging CTK members to participate in global mission efforts (Alternative Christmas Gifts), and by meeting with our medical missionary (Dr. Mark Jacobson) from the Arusha Lutheran Medical Center during the 2017-2018 program year.

Goal 3: (Giving) The GMT will provide leadership, education, and administration to raise awareness of the need for financial resources to support global mission activities based on requests from: the Nduli congregation, the Iringa Diocese, the University of Iringa, Huruma Orphanage, MaaSAE Girls Lutheran Secondary School, Moringe Sokoine Secondary School, Arusha Lutheran Medical Center and Nursing School, and other approved projects and humanitarian efforts during the 2017-2018 program year.

Local Mission Partners

Describe your role and focus at Ctk:

We help Christ the King engage in God's Mission with the growing diversity and ethnic/immigrant ministries of the Twin Cities. What we do can be seen in the summary of major milestones in the first question above.

Ministry Summary for 2016-2017

- Initiated Listening to our Neighborhood study, deepening of Ctk's community ministry.
- Assisted in beginning Community Garden; shared produce at Block Party's Mini-Farmer's Market
- Local Mission Sunday featured a Latina's story in the context of all our immigrant stories. Supported and gave feedback to Cristo Rey ministry.
- Distributed several grants in response to partner needs including to Daily Work's job counseling service.
- Served lunch to children and families of Minneapolis Redeemer's Christmas Store which provides low-cost gifts to children's families.
- Collected used bicycles for their Venture North ministry which provides bike repair training for neighborhood youth to earn free bikes.
- Initiated Agora class to provide multicultural Christian leadership training for immigrants and Anglo members.
- Supported twenty three baptisms and leadership training at Hmong Good Samaritan; hosting monthly Hmong egg roll sales to support young adult and general Hmong outreach ministries
- Supported Minnesota Faith Chinese Lutheran Church's campus ministry and more assertive outreach to Chinese students and families.
- Supported team member Willie Johnson's ministry to his former refugee camps in Liberia/Ghana.
- Mentored several immigrant partner leaders.

Top Goals:

1. Work with Church Council on planning leadership transition, terms for team members.
2. In September, join synod ministry team in sponsoring synod-wide Local Mission Gala/Celebration to raise profile of local mission and raise ministry funds for local missions.

Social Ministry Steering Team

Describe your role and focus at CTK:

Social Ministry is an umbrella that includes eleven (11) different ministries.

In response to God's grace and many blessings to us, these ministries seek to serve our neighbors. We remember Jesus' words in Matthew 25, that when we give drink to the thirsty, welcome the stranger, provide clothes to those who need clothing, we do it to him.

Many of the ministries coordinate with other organizations and non-profits to because we can do more together, e.g. Ralph Reeder Food Shelf, the Community Support Center, Meals on Wheels, Habitat for Humanity.

The Social Ministry Steering team gathers reports and budgets for submission to the Council, coordinates efforts of the various ministries, and oversees the Good Samaritan Fund.

We hope that you will take time to look at each of these individual Social Ministry reports. Please contact the individuals named in the reports if you see an area in which you would like to serve your neighbors.

--The Social Ministry Steering Team

Social Ministry: SUNNY **(Serving Up Nutrition Now for Youth)**

Describe your role and focus at Ctk:

SUNNY is a community outreach to provide food, especially for children who receive free and reduced-price lunches at school during the school year. Sunny provides bag lunches on Monday, Wednesday, and Friday during the summer. Each guest receives two lunches each day. Lunches include fresh vegetables and fruits, bread and lunchmeat (or peanut butter and jelly) and a snack.

Ministry Summary for 2016-2017

SUNNY serves nutritious meals for low-income families in our immediate community. During the summer of 2016 we saw larger numbers of people coming in than ever before, serving over 4000 meals.

Top Goal:

The main goal is to secure stable funding in order to continue the program.

Social Ministry: School Tools

Describe your role and focus at Ctk:

In August we collect school supplies for the two schools in our immediate neighborhood (Bel Air Elementary and Highview Middle). These schools have large numbers of children from low-income families. We get lists from the schools of their most needed items, set up a display in the narthex, place notices in the Ctk publications. When money is donated, we purchase supplies, working hard to get the best prices possible. The supplies are delivered at the beginning of the school year.

Contact: Kay Christenson kay_marie_c@msn.com

Ministry Summary for 2016-2017

Our 2016 school tools campaign was a huge success again this year. In addition to filling the cardboard school bus in the narthex several times with donated school supplies, we had over \$700 donated to purchase additional supplies.

We were able to provide 15 backpacks, 8 trapper keepers and cases of notebooks, folders, pencils, dry erase markers and numerous other school supplies. Both Bel Air and Highview schools were thrilled with the generosity of Ctk families.

Top Goal:

To continue a successful campaign to collect school supplies for our neighborhood schools.

Social Ministry: Meals on Wheels

Describe your role and focus at CTK:

Our group delivers hot meals one day a week to seniors and disabled adults who are homebound. The routes are in our immediate community, (New Brighton, Moundsview and St. Anthony). Each route is preplanned by the MOW director (with computer instructions) and takes about 1 hour once a month.

“Bringing food to a homebound person gives a kind of nourishment a healthy meal alone cannot touch.”

Ministry Summary for 2016-2017

This is such an easy but important ministry. The only change we had this past year was the retirement of Joyce Ellefson as the NW Ramsey county Meals on Wheels director and her assistant, Jeanne Szurek, took over. This past winter, CTK had only 2 drivers each Wednesday for the first 3 months of the year, as we have many snowbirds.

Contact: Joanne Zenz [sznz@aol.com]

Top Goals:

1. To keep Meals on Wheels pertinent as a ministry at CTK and the surrounding community.
2. To procure more volunteers. Current volunteers are almost all retirees and many go south for the winter, or prefer not to deliver meals in the winter. Watch for invitations in the Herald and in “What’s Happening” on Sundays. I will also be asking members individually, since the personal approach is often better. Contact: Joanne Zenz sznz@aol.com

Social Ministry: Refugee Resettlement

Describe your role and focus at CTK:

Our team tries to live out Jesus' commands to welcome the stranger at the door and alien in a strange land. We literally and physically help these strangers with their daily and long term needs until they can live independently.

Ministry Summary for 2016-2017

The "usual" mission for the Refugee Support team is to assist newly arrived international refugees, who bring little other than the clothes they are wearing, as they find housing, furniture, warm clothes, and learn how to negotiate daily life. This often takes 6 months to a year.

However, three years ago LSS introduced us to an especially needy widowed mother and her children who have needed long-term guidance. The relationship has transitioned from initial financial support to mentoring the mother, who is not yet fluent in English, in dealings with public and private relations such as housing rents, public assistance. As of 2016, they no longer need our monthly assistance to pay their rent. However, we need to continue helping the mother with medical / PTSD issues and the children with academic guidance before taking on our next family.

As an example of the appreciation that refugees have for the help they are given, a former refugee (who arrived 30 years ago) recently gave a generous gift to the refugee fund.

Top Goals:

1. Help the family find new affordable housing within the children's school attendance areas by June 30th.
2. Facilitate "special education" for the youngest child before beginning 7th grade.

Social Ministry: Liberian Partners

Describe your role and focus at CTK:

Liberian partners raises funds to support Believer Bible Chapel Elementary School through the activities listed in our summary. In addition to raising funds for the school building, Liberian Partners helps to provide rice to feed students and to meet other needs of the school.

Contact: Victor Nyekan [victornyekan@gmail.com]

Ministry Summary for 2016-2017

Liberian Partners supports Believer Bible Chapel Elementary School in Liberia, where nearly half of the population is aged 14 or younger, and half a million of those children are not in school with the main goal of building a school (classes are now held in the church.)

The project received a grant from the CTK Foundation in 2016 and application has been made for an additional grant. Additional funds were provided through the 2016 Capital Campaign special grants and the 2016 Benevolence budget.

- In October 2016, Liberian partners Sunday, including the SALT session, raised awareness of the school project.
- In February 2017 Victor Nyekan visited the school.
- In the spring of 2017 a group of volunteers are offering help with spring yard work in exchange for donations to Liberian Partners.

Top Goals:

1. Schedule another Liberian Partners Sunday, including a SALT session.
2. Continue to seek sources of funding to complete the school building.
3. During the summer of 2017 the team will collect shoes and summer clothing for the students.
4. We would love to have someone travel to Liberia with Victor Nyekan in December 2017.

Social Ministry: Habitat for Humanity

Describe your role and focus at CTK:

This ministry provides an opportunity for members of Christ the King to volunteer together to help Twin Cities Habitat for Humanity in their mission to provide affordable housing to families in our community.

Contact: Karen Hillerman [KarenHillerman@gamil.com]

Ministry Summary for 2016-2017

In 2016, members of Christ the King volunteered for two days at a Twin Cities Habitat for Humanity build site in Blaine through the Thrivent Builds with Habitat for Humanity Program.

Members could contribute to the ministry in the following ways:

1. Volunteer to build at the site for one or both days,
2. Provide food for the volunteers
3. Make a monetary contribution towards the house we worked on.

The volunteers enjoyed the fellowship on the site while helping to provide affordable housing for a family. The Habitat staff on site presented an educational exercise on the issue of affordable housing to the volunteers each day. We have already been scheduled for August 24-25, 2017 to build at another house in Blaine down the street from the one we worked on last year.

Top Goals:

Support a Twin Cities Habitat for Humanity build site in Blaine through the Thrivent Builds with Habitat for Humanity program on August 24-25, 2017 with the following:

1. 15-18 volunteers from Christ the King to build each day
2. Lunch, snacks and beverages for the volunteers each day donated by members of Christ the King
3. At least \$1,200 donated to Twin Cities Habitat for Humanity towards the cost of the house.

Social Ministry: Good Samaritan Fund

Describe your role and focus at CTK:

The Good Samaritan Fund is established to assist members and neighbors with emergency needs. It is administered by the Social Ministry Steering Team, with input by the pastors and office personnel who meet with those seeking assistance.

Contact: Priscilla Berg [rapberg@comcast.net]

Ministry Summary for 2016-2017

The Good Samaritan Fund was established to provide for emergency needs of neighbors who come to Christ the King seeking assistance.

Neighbors seeking rent assistance are referred to the Community Support Center.

In 2016 the decision was made by Social ministry to stop offering Cub vouchers and instead make donations to the community food shelf. Those requesting food assistance are referred to local food shelves. The reasons for this were two-fold:

- 1) For each \$1 donated, community food shelves can purchase what would cost \$8 at the grocery store.
- 2) Food shelves now stock meat, milk, and fresh produce, not just canned goods. (Truly immediate emergency food needs are provided by our own small CTK food shelf.)

The Good Samaritan Fund is administered by the Social Ministry Steering Team and has detailed guidelines for providing assistance.

Top Goal:

To determine the future sustainability of the Good Samaritan Fund in collaboration with the pastors and the Congregational Council.

Social Ministry: Ralph Reeder and CTK Food Shelves

Describe your role and focus at CTK:

We solicit donations to provide for those in need in our community. 1 in 10 Minnesotans experience food insecurity. Ralph Reeder serves an average of 568 households each month. We can do more by joining this community effort to help our neighbors.

Our local CTK food shelf provides non-perishable foods for immediate emergency needs.

Contact: Al Berg [alvinberg@comcast.net]

Ministry Summary for 2016-2017

There were three donation drives for Ralph Reeder Food Shelf. Food drives in November and March and a personal needs drive in July (items like toilet paper, laundry soap, etc. that are often overlooked.)

Did you know that Ralph Reeder now supplies fresh fruits and vegetables as well as milk, meat and bread?

The November and March food drives also supply a small emergency food shelf here at CTK (non-perishable foods only). Cash donations are also used to supplement needed items (\$220.00 thus far in 2017).

Top Goals:

- 1) To continue the two annual food drives.
- 2) To coordinate with LSS and use July to provide for the needs of homeless youth.

Social Ministry: Community Support Center

Describe your role and focus at CTK:

The Community Support Center's mission is to prevent homelessness through developing long-term relationships with neighbors in need and helping them to avoid eviction and to maintain financial stability.

The Community Support Center serves residents of the cities that comprise the Mounds View School District—truly local. It provides expertise and resources that individual congregations cannot.

The Community Support Center grew out of and is still supported by an ecumenical group of churches, the Mounds View School District, and local businesses and benevolent organizations. We can do more together.

Contact: Priscilla Berg: rapberg@comcast.net

Ministry Summary for 2016-2017

The Community Support Center's mission is to prevent homelessness through developing long-term relationships with neighbors in need and helping them to avoid eviction and to maintain financial stability.

2016 was an eventful year as the Community Support Center (CSC) became an independent non-profit. With the approval of the Congregational Council, Christ the King is listed in the CSC by-laws as a Founding Congregation and CTK has a seat on the Board.

In addition to funding the CSC through Benevolence, CTK participated in an annual fund-raiser "Walk a Mile for Your Neighbors" in July 2016.

Eight CTK members attended the CSC annual luncheon in April.

Top Goals:

- 1) Develop a SALT session to increase awareness of the mission of the Community Support Center.
- 2) Increase the number of participants in the "Walk a Mile" event.
- 3) Host the 2018 Annual CSC luncheon at Christ the King.

Social Ministry: Coat Drive

Describe your role and focus at Ctk:

The Coat Drive is a long-term ecumenical effort to provide winter outerwear for neighbors in need. We collect new and gently used items in September and early October and distribute them in the middle of October. Anyone living in Minnesota needs a warm coat!

Contact: Priscilla Berg [rapberg@comcast.net]

Ministry Summary for 2016-2017

For the 19th consecutive year, Christ the King, as part of the Social Concerns Network, collected winter jackets and coats, as well as hats, gloves and mittens, and scarves for distribution to our neighbors in need.

On Friday evening, October 14, volunteers from the various Network churches sorted items according to size and gender. On Saturday, October 15, 2016, the 425 coats along with the other items were distributed at Christ the King, again with the assistance of volunteers from all of the churches. 200 coats were passed on to other non-profits.

Top Goal:

To continue the coat drive effort for the 20th year

Social Ministry: Angel Tree

Describe your role and focus at CTK:

An actual tree is placed in the church narthex each December. Tags are placed on the tree with the gender and age of children of incarcerated parents along with their desired gifts. (This is a national program and names are provided by the organization). A toy and an article of clothing are provided for each child.

Generous members take the tags and return the labeled gifts to church. The gifts are delivered by the team. Following the gifts tags, the tree collects hats and mittens and gift cards for Bel Air Elementary School.

Contact: Kay Christenson [kay_marie_c@msn.com]

Ministry Summary for 2016-2017

In 2016 the Angel tree program sponsored 19 children from nine different families, Your generous gift giving made these children with a parent who is incarcerated know that someone cares about them.

In addition, we collected 14 \$15.00 gift certificates for Bel Air school for Christmas.

We also collected 150 caps and mittens for Bel Air, delivered when school opened in January.

Top Goals:

- 1) To continue the Angel Tree Program
- 2) To find ways to coordinate the effort with the Christmas baskets.

Worship, Music, and the Arts

Describe your role and focus at Ctk:

To help members of Ctk participate in all aspects of worship. From planning and preparation, to leading and participating in the pews, every week Director Nate Crary works with and for anywhere from 30 to 70 volunteers and staff to make Sundays and Wednesdays what they are.

Groups within the ministry include

1. choirs,
2. worship coordinators,
3. usher captains,
4. ushers,
5. altar committee (including communion setter-uppers and runners),
6. communion servers,
7. video recording services,
8. brew crew/cup crew,
9. table greeters,
10. church band,
11. hand bell choir,
12. sanctuary spiffers,
13. nursery leaders,
14. welcome center,
15. lectors,
16. door greeters,
17. worship assistants,
18. pastors,
19. PowerPoint operators,
20. audio technicians, and
21. stewards.

If you would like to know more about how members of each of these groups serve and how you can help, contact Nate (Nate@lifeatctk.org).

Ministry Summary for 2016-2017

We have been blessed by God's presence in worship this year at Christ the King. You might have noticed changes as they happened on Sunday mornings including certain worship practices we've introduced and embraced to more fully encourage our authentic response to God's amazing work among and around us. This includes

- "Setting the Table," a time when we specifically invite children to help bring the gifts forward that we've collected during the offering in preparation for Holy Communion.

Worship, Music and the Arts (continued)

- We continue to be led by more members of CTK who regularly write and lead prayers in worship as Worship Assistants, lifting up the needs of our community from more voices directly within our community.
- We began celebrating Baptisms in a new way by dedicating periodic “Baptism Sundays” which has allowed us to be more intentional when welcoming brand new Children of God into the Body of Christ.
- As we continue to draw inspiration from the Bible, we’ve developed seasonal worship themes as they relate to adjacent adult-education opportunities, helping us make connections between what we say and hear in the pews and what we say and hear in the world.
- Also, a major milestone worth noting is that we literally hand out God’s grace through the body and blood of Jesus Christ during communion every Sunday. Every. Sunday.

Top Goals:

1. By the end of 2018, I will have equipped 20 new musicians within our congregation to regularly lead music during worship.
2. By the end of 2018, I will have formed a new Worship Arts Team with the purpose of thinking carefully about developing and putting into practice new creative elements in our worship.

Elders in Action

Describe your role and focus at CTK:

The mission of Elders in Action (EiA) is to provide social activities and opportunities for volunteer service, community outreach, educational programs, and spiritual growth for those aged 55 and older. We have fun!

Ministry Summary for 2016-2017

The Elders in Action Committee is in its 2nd year of an all-year program and have an enthusiastic planning group. We meet the first and third Wednesday at 4:00 in the Trinity room. (During July and August the third Wednesday, only)

A sampling of our activities this year included:

- A trip to the Martin Luther exhibit at the Minneapolis Art Institute,
- Attending "The Orphan Train" at the History Theater,
- Visiting the MN Arboretum,
- Volunteering at Feed My Starving Children, etc.

We have helpful meetings of interest to Seniors, as well as a social coffee on the last Wednesday of the month.

Top Goals:

1. Promote interest in the group by advertising and word of mouth.
2. Continue interesting and educational activities that are of interest to seniors (aged 55+).

Evangelical Lutheran Church Women

Describe your role and focus at CtK:

The ELCW of CtK support many programs locally and globally: CtK Local Missions, Sunny (summertime lunches), Daily Work, CPY, Wycliffe Bible Translators, Huruma Orphanage, and MaaSAE Girls' School with yearly scholarships. We also support projects of the Synodical **WELCA** Organization with monetary and material gifts.

Ministry Summary for 2016-2017

The Evangelical Lutheran Church Women is a group of women who meet once a month at CTK. The women are part of one of three circles:

1. Anna, (3rd Tuesday, 1 p.m.),
2. Claudia, (3rd Thursday, 9 a.m.), and
3. Deborah, (3rd Thursday, 12:30 p.m.).

Their activities include Bible Study, prayer, social time, and volunteer their time and resources for special projects to help the needy. They meet from September to mid June.

Top Goals:

1. Continue to support girls at MaaSAE Girls' School and Iringa Univ. with yearly scholarships.
2. Continue to support the above-mentioned programs through our offerings.
