Everyone who signs up for a paid garden plot must maintain that garden plot by weeding and watering regularly. The garden tool shed and water supply will be available Wednesday evenings (5:00-9:00 p.m.) and Saturday mornings (9:00 a.m.-12:00 noon). You will have unlimited access to the garden whenever you need, but the tools and water will only be available during the assigned times.

Community Garden Guidelines

Weed Control and Garden Neglect

- Weeding should be done at least weekly so that weeds are not allowed to reseed.
- Weeds may be placed in the compost bin.
- Gardeners not performing maintenance will be notified to rectify the situation within two (2) weeks. Further non-compliance will result in the garden being turned over and replanted with the produce going to the food shelf. (Our garden is very visible and we want a nice looking area.)

Garden Cleaning and Close Up Date

- The target closing date is Nov. 1, but due to weather and soil conditions, this may vary from year to year.
- Garden members will be notified when the garden plots are officially closed and given ample time to clean up their plot.
- Plant material and plant supports may be left in the garden plot, but please remove all noxious weeds, trash and other non-compostable items.

Garden Agreement: By signing this garden registration, I acknowledge that I have read and agree to follow the community garden guidelines and agreement.
