A RESOLUTION SUPPORTING INCLUSION OF AN AMMENDMENT TO THE FLOOD INSURANCE BILL ALLOWING POOL ENCLOSURES

WHEREAS, in an effort to address the potential economic impact for the Little River, SC and Grand Strand communities by the National Flood Insurance Bill, will have cause to impact the citizens and guests who either earn their livelihoods or come to our area to enjoy the recreational opportunities that Little River and the Grand Strand has to offer.

WHEREAS, the current National Flood Insurance bill provides economic hardship to Little River and the Grand Strand by potentially eliminating 3,000 jobs.

WHEREAS, failure to pass this bill would result in financial disaster for all who own home and businesses in flood prone areas. Further, banks who have loans considered assets expose the banks to economic disaster if insurance would not be available.

THEREFORE, BE IT RESOLVED by the Little River Chamber of Commerce Board of Directors:

- 1) That the Little River Chamber of Commerce supports an amendment to the current National Flood Insurance Program that will allow pool enclosures.
- 2) That the Little River Chamber of Commerce supports the passage of this amendment to save jobs, tourism revenues & economic survival for South Carolina.
