

MOVSC PRAYER FOR SAFETY AND PROTECTION

God our loving Father, I ask that you spread Your protection over each one of us here and all who are in the workplace this day. Keep us from all harm, and watch over our lives. Protect our families, and let Your favor surround us like a shield. Give Your angels charge over us to guard us in all of our ways. Thank You, Lord for Your love and guidance, and continue to rescue and deliver us from all evil, harm, destruction, disease and defeat! Please bless our gathering this afternoon, and bless this food and drink for us Your servants. We ask this through Jesus Christ our Lord.

AMEN
