Regional Occupational Program

*"Construction education is where  
education meets the real world"*

Thanks!

Thank you for your interest. Here are prices and sizes for standard sheds, however they can be built to suit.

6x8	\$1,550.00	Add \$300 3-0 x 6-8 door windows \$250 ea 2-6 x 2-6
6x10	\$1,850.00	(same as above)
6x12	\$2,050.00	Add \$600 5-0 x 6-8 double door

Sheds are completely built @ Redwood then delivered \$100-\$200.

2x4 framed with t-111 primed plywood siding, doors metal-cald, truss roof with comp shingles, 2 X 6 framed pressure treated floor and ready to be placed on pier blocks.

Material costs for sheds only, student built.

Sheds can be seen @ Redwood on Wed 5-9 pm.
