

Debit Authorization for Dues Payments

The simple and affordable way to pay your dues, debited electronically each month.

I authorize the Marin Builders Association to automatically debit my account monthly for dues payments. I understand that membership commences with the first payment processing, and that automatic debits for dues payments will be processed monthly (on or near the first week of each month, starting with the month following receipt of application and this form) until I notify the Marin Builders Association in writing to discontinue my membership. If discontinued before a full membership year expires, the remainder of my dues for that year will be paid in full as a final payment. A transaction fee of approximately \$3.00 per month applies to all EFT memberships. The annual EFT membership period runs January thru December of each year, regardless of original join month.
