Mineral Wells Area
Chamber of Commerce

Dear Community Partner,

On Monday, February 6th the Mineral Wells Area Chamber of Commerce will host its 6th annual State of the Community. This year's event theme is "The Path Forward: Stepping into Action." This year the State of the Community will take place at Lamar Elementary. This brand new, state-of-the-art campus will provide the perfect backdrop for our event. Featuring Envision Mineral Wells, and the unveiling of the new destination brand for Mineral Wells, the State of the Community will take place in the evening from 6:00- 8:00pm. Proceeds from the State of the Community will help support the Chamber of Commerce programs and initiatives as we aim to advance, promote and support economic vitality of Mineral Wells and Palo Pinto County.

The success of this event will not be possible without community partners like you. There are many ways your business can get involved! As an event sponsor, your business name and logo will be featured in all marketing materials surrounding the event. The visibility and recognition you will receive by partnering with us cannot only help you develop new business relationships, but also get your brand in front of new potential customers.

Our goal for this year's event is to have \$12,000 in sponsorships and sell out our 300 tickets. Help us reach our goal as we continue to help the Mineral Wells business community.

On the reverse, please find our State of the Community sponsorship information. The deadline for sponsorship is January 9th. For questions, feel free to contact Rachel Lively, at (940)325-2557 or rachel@mineralwellstx.com.

Thank you,

Rachel Lively
Director of Sales & Marketing
Mineral Wells Area Chamber of Commerce
