- The format will be a four person scramble with multiple flights. For businesses wishing to compete for the Battle of the Businesses trophy the following rules apply: businesses with 19 or fewer employees may be eligible to win the trophy with at least 1 employee of the business competing. For businesses with more than 20 employees to be eligible to win the trophy at least 2 employees must compete. There will also be an open division for individual players who wish to form a team and participate.
