

OUR 101ST YEAR!

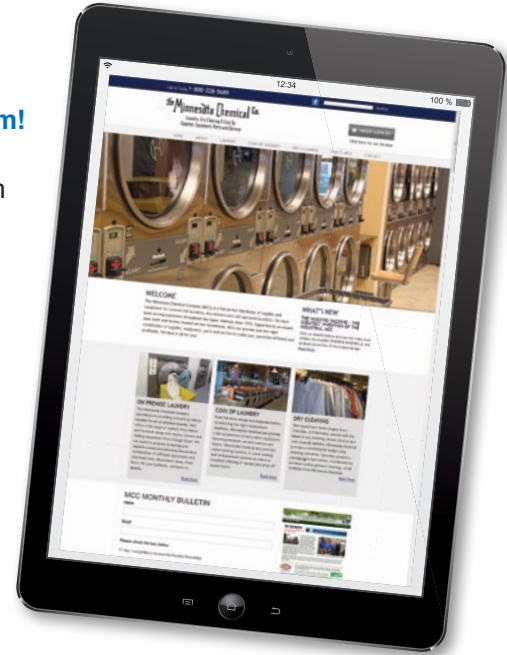

September 2016 • Issue #620

New MCC Website

We are pleased to announce the updated MCC website www.minnesotachemical.com! Our site offers easy to navigate access using any device to all of the products and services offered by MCC. Visitors to the site can easily access detailed information from many of our premier equipment and supply manufacturers as well as information and registration for MCC sponsored seminars and links to current MCC Monthly Bulletins.

A completely NEW offering is the "Office and Facility" supply catalog under the Order Supplies tab. This on-line portal allows visitors to browse and order from thousands of Jan/San, Office, Safety, Breakroom, Furniture and Technology items. Ask your MCC supply salesperson for a demonstration.

FREE Service Seminars for Washers and Dryers, On Premise Laundries and Coin Laundries

Tuesday, October 4 - Minnesota Chemical - N57 W13636 Carmen Ave, Unit 4, Menomonee Falls, WI
Thursday, October 6 - Hilton Garden Inn, 1050 Gramsie Rd, Shoreview, MN – (NE Corner I694 & Lexington Ave N)
9:00am - 3:00pm

- Proper installation including bolting, grouting, drain, water for washers and make up air and exhaust for dryers.
- Troubleshooting electrical, water, gas venting and mechanical issues. Things you check before you call for service.
- Preventive Maintenance – Things you can do on your own to keep your washers and dryers running well.
- How to find part numbers and order parts for repairs and what to have on your shelf.
- New models and new features – when and if you choose to replace or upgrade.

Something Useful

We want you to be able to easily open the containers of quality products that you buy from us. Here are a couple of items that will make your life easier!

Drum Wrench: Universal for either plastic or metal bungs. Lightweight, durable aluminum construction permits use with hazardous materials.

#7200 **\$19.95 each**

Plastic Pail Lid Opener: Removes lids from plastic pails and buckets.

#7210 **\$9.95 each**

Getting it Clean!

Get wedding dress hems clean without scrubbing and recleaning!

Also works GREAT on athletic uniforms and outerwear with ground in dirt

Clean Coat contains a unique blend of surfactants and other soil-removing ingredients to quickly and easily lift and dissolve the soil from the dirtiest and most filthy wedding gown that you have to clean. Cleaning hems is easy with Clean Coat. Just spray the hems and let them sit overnight. The next day, either wetclean or dryclean the gown. You will be amazed when you see how clean the hems are. Clean Coat comes packaged ready-to-use by the gallon with a trigger sprayer. The spray pattern allows for a large surface of the gown to be sprayed very quickly. With Clean Coat you do not need to purchase another spray spotter tank.

\$53 per gallon

MCC Tips

To keep your dryers functioning safely and properly, always clean the lint screens at least daily. Lint screens that are torn or matted need to be replaced. Keeping your lint screen in good condition will optimize your dryer's performance and prevent fires.

MCC stocks many makes and models of lint screens. Call Barb in our Parts Dept for complete availability and pricing.

Laundry Cart Covers

Protection that you cannot afford to do without. Whatever style or type of cart, carrier, or truck that you use, Bussard makes a cover for it!
