

CLEAN 2017

WHERE THE INDUSTRY COMES TOGETHER

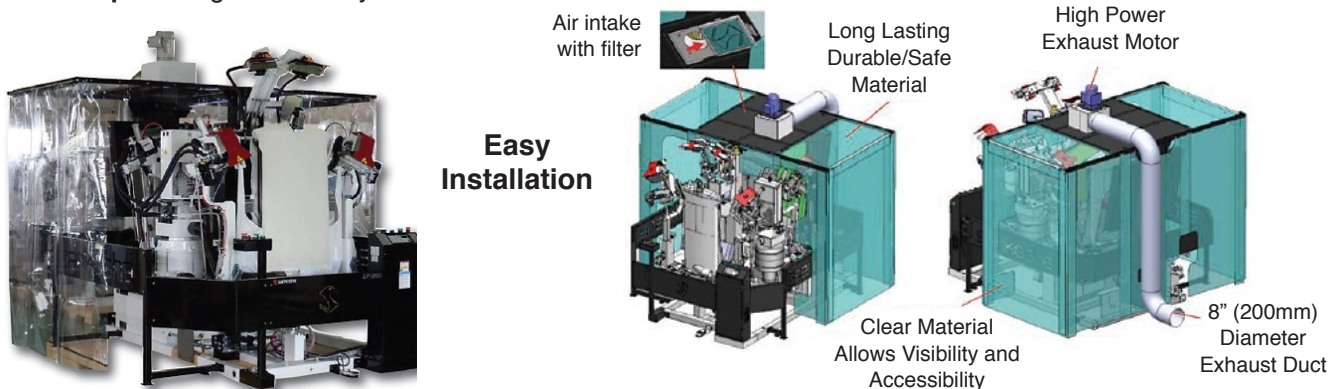

LAS VEGAS JUNE 5-8

Minnesota Chemical was well represented at the recent CLEAN Show. Six MCC representatives maintained busy schedules visiting manufacturers exhibits seeing the latest product innovations that can increase productivity and profits for their customers. MCC sales staff also spent time with customers on the exhibit floor and hosted many of them at a special dinner at the top of the Stratosphere Hotel.

MCC People

Lori Kahle has just begun her third year of employment with MCC. Lori manages the accounts receivable area of MCC which includes opening new accounts, processing and approving equipment orders, creating and distributing customer invoices, applying all cash and credit card payments on accounts and establishing creative credit solutions for customers. Lori is a native of Langdon, North Dakota. After completing advanced schooling at Mayville State, Lori

eventually relocated to the Twin Cities to be near other family members. Lori and her husband Jim love the outdoors and Lori is a proud deer hunter each season. Lori and Jim also enjoy yearly trips to their home in Clewiston, FL as well as participating in charity motorcycle rides. Recently they even participated in a “Blessing of the Bikes” at a church in Forest Lake. They now drive a Holy Harley!

Special Offer

From MCC Parts Department

Barb Swanson of the MCC Parts Department wants you to have a MCC Koozie to keep your favorite summertime beverage nice and cool. Just call Barb with your parts order and she will include one with your order.

Super Saver

Milnor's 60 lb. capacity model 30022 VRJ provides three ways to save: **time**, **energy** and **water**.

That's good for our environment. And great for you.

Milnor's E-P Plus® controller has pre-programmed wash formulas built right in to save you time. You can modify formulas or create and save up to 30 of your own. Our extra-large cylinder perforation means linens end the cycle retaining less moisture, speeding up dryer times to save energy. Save water with **Milnor's RinSave® Water Saver technology**. The VRJ can even fit through a standard 3'- O" door, which simplifies installation and saves space. That's even more savings. Super!

NURSING HOMES

Processing resident's personal clothing has always been a challenge for nursing homes. These two items allow for the proper and permanent marking of clothing and easy consistent conveyance of the clothing back to resident rooms.

These new plastic hangers are really something revolutionary! They beautifully maintain hung garments and have the special feature of a multipurpose clip that will securely hold trousers or shoulder straps. Their molded design also allow for convenient stacking for recycling.

Maruso Plastic Nesting UNI HANGER

Volume Per Case: 120pcs.
Size: 16.5 inch
Color: Black
\$43.60/case

Multipurpose Clip

These hangers perfectly nest when not in use for easy return to laundry for immediate reuse.
