

Our Associations

The Dry Cleaning & Laundry Institute (DLI) is the premier international trade association for garment care professionals. Established in 1883, DLI represents thousands of dry cleaners throughout the world. Through legislative and regulatory policy development, education, professional training, information, garment analysis and research, DLI offers solutions to help member businesses remain on the competitive edge.

Minnesota Chemical is a proud member of local DLI affiliates Minnesota Cleaners Association (MCA) and Wisconsin Fabricare Institute (WFI). Both of these are strong and vibrant affiliates that offer training, education, legislative involvement and fellowship. All dry cleaners and allied trades are encouraged to become active members! For more information, please contact:

Free OPL Safety and Serviceability Check

Ensure compliance and smooth operations with our complimentary safety and serviceability assessment.

Program details

- A service technician will be scheduled to assess your small washers within 30 days of your call. Appointments range from 45-60 minutes.
- You will receive a nine point checklist describing the condition of your washers and dryers, plus recommendations for parts or service - if needed.
- Service can be performed at that time with fees for repair work and parts only – no travel time charged.

Alternately, you can schedule service for a later date or conduct your own maintenance/repairs.

Call The MCC Service Department.

Odor Control

N-Ta-Germ

Remove Strong and Smelly Odors from your DC System

- N-Ta-Germ is the only additive that destroys and eliminates all organic odors.
- N-Ta-Germ is manufactured for use in Perc and Hydrocarbon solvent.
- Offensive organic odors can develop in any type of cleaning system. Adding N-Ta-Germ regularly will eliminate foul odors in your system before they can contaminate your customer's clothes.
- N-Ta-Germ can be used as a charge system additive or as a batch additive.

\$57.00 per gallon.

Stain Removal:

Remove More Stains
Earn Customer Loyalty
Make More Money

Your customers want you to remove their stains. Wilson stain removers deliver faster, more complete stain removal, even on difficult, stain-fighter products have failed. And they're safer for fabric and the environment. Use Wilson stain removers to earn repeat business and make more money.

Wilson Products are Worth More
 Lower performing products cost less because they're worth less. Rely on Wilson's high-performance, high-value stain removers to deliver more stain-free garments and to earn a spotless reputation.
