### All Seasons Garment Care and Tailoring Crystal, MN

**ALL SEASONS**  
GARMENT CARE AND TAILORING

All Seasons Garment Care and Tailoring operates a very busy central production plant and coin operated laundry in Crystal, MN, northwest of

Minneapolis. Owner Steve Rettler recently upgraded his shirt finishing equipment with the purchase of a Sankosha LP190-U double buck shirt press from Minnesota Chemical. Along with his Sankosha collar-cuff unit, Steve's crew is turning out beautifully finished shirts all day long. Steve has relied on Sankosha for most of his shirt and dry cleaning press needs for many years.

With additional retail locations in Deephaven, Maple Grove, Minneapolis and St. Paul, All Seasons prides itself on providing top notch dry cleaning, laundry, tailoring, special item care throughout the Twin Cities Metro. Utilizing the very latest in cleaning technology, including Wet Cleaning products from Pariser/SoapTech, Steve is proud that All Seasons has earned the Certified Environmental Dry Cleaners designation from The Dry Cleaning and Laundry Institute.

Tony Crain, MCC; Manuel and Paola, All Seasons; Mike Tunesvick, Sankosha

## Thermo-Plastic Mending Tape – extend the service life of textile products

PATCHIT® iron-on Mending Tape and Pre-Cut Patches mend and repair garments, linens and fabrics, without sewing. Cost-conscious laundry managers make their fabrics last longer in an aesthetically pleasing way; with PATCHIT® Mending Products. Economical PATCHIT® Mending Products can help cut costs in repair departments thus protecting your textile investment.

Dependable PATCHIT® Thermo-Plastic coating is widely recognized as a durable heat-seal bonding agent. PATCHIT® will mend natural and synthetic fibers. Top institutional and industrial laundries, as well as dry cleaners, specify PATCHIT® for dependable performance at a fair price. These quality mending products repair textiles for less.

**Available in both Standard and Fire-Retardant Fabrics.**

**Huebsch design accents make your vended laundry unique - and uniquely you.**

Modernize and customize your laundromat in distinctive, sophisticated ways with new design accents from Huebsch®. The refreshing look of Cityscape offers clean lines, streamlined design and dramatic contrast. Express your creativity with Cityscape control panel overlays, and bring quality and dimension to your environment with the stunning look of chrome and stainless steel. Available on equipment featuring Galaxy™ 600 controls, these design elements bring form and function together with style and texture to help you enhance the customer experience and differentiate your store from the competition. We'll help you make your space truly your own. With Huebsch, inspiration comes so easy.

**CITRON** — A witty mix of style and texture, plus a **daring splash of color** — this, to us, is true expression. It's a look that allows you to capture your own unique, contemporary character in memorable, invigorating ways. Be bold with **CITRON** control panels, and customize your space with designs as creative as you. Then, be prepared to minimize your utility costs and maximize your revenue with game-changing, performance-based features. With Huebsch®, you can add a burst of color - and create a surge in your cash flow.

**CITYSCAPE** — Clean lines, streamlined design and dramatic contrast come together in this modern expression. Refresh, enhance and expand your space by selecting contemporary lighting that complements the chrome accents and **vivid hints of color** on our **CITYSCAPE** control panels. Define your space as your own, and take charge of your revenue with innovative Huebsch® Galaxy® 600 controls that help you save and make more money.

**SLATE** — Nuanced neutrals and **classic inspiration** have come together in a design so dignified that it will make even the most refined designers swoon. Halo door rings and polished chrome handles, in addition to **SLATE** control panels, bring quality and dimension to your space. With this look, there's no brand more welcoming or more comforting than Huebsch®. Imagine the ways you'll make it your own, and envision the unbelievable revenue-generating and money-saving possibilities you'll gain with Galaxy® 600 controls.

## MCC Tips

To keep your dryers functioning safely and properly, always clean the lint screens at least daily. Lint screens that are torn or matted need to be replaced. Keeping your lint screen in good condition will optimize your dryer's performance and prevent fires.

**MCC stocks many makes and models of lint screens. Call Barb in our Parts Dept for complete availability and pricing.**

*RinSave saves water, sewer and time in your laundry.*

## MCC People

Meet Erika Clinton who handles all of our customer's supply orders from the busy Minnesota Chemical "City Desk". Erika is new to the Twin Cities having recently relocated here from Memphis, TN with her husband Warren and son Michael. In the few months since she has been at MCC, Erika has learned the multi-faceted position quickly and is offering excellent service to our many customers. When away from work, Erika and her family enjoy gardening, volunteering and travel. In fact in May of 2018, Erika and Warren are hoping to volunteer at the Memphis in May International Festival in Memphis, TN. This Festival is a month long event which honors a specific foreign country each year (the Czech Republic in 2018) along with other city wide events including the World Champion Barbecue Cooking Contest and the Great American River Run Half Marathon and 5K.

## Ugg Re-Nu

Comprehensive **ONE-PRODUCT SOLUTION** of detergency, conditioners, and odor eliminators for the processing of Shearling Footwear

For processing 1, 2, or 3 pairs of footwear in a household type washer.

**Run lights and darks separately!**

- Program washer on delicate cycle, cold water, high level
- Measure 12 ounces of solution
- Using measured solution, lightly brush heavily soiled areas
- Pour balance of solution into washer and allow to mix well
- Place footwear in the washer with soles facing up
- Allow wash cycle to complete
- Air dry footwear at room temperature or in boiler room
- Dry brush footwear to re-nu the softness of the nap

**\$79.99 per Gallon**

(Approximately \$2.50 chemical cost to process 1 pair of Uggs)

**Recommended price for cleaning to consumer is \$25.00!**

## Hand Soaps, Sanitizers And Lotions

Ecolab offers an array of liquid and foaming hand soaps, sanitizers, and lotions that help keep your staff and guests safe and healthy.

We've developed a hand hygiene system that combines bacteria-killing chemistry with technology and training - making your hand cleaning habits safe, simple and efficient. With Ecolab's Hand Hygiene System, you get efficiency, innovation and sustainability in one sleek dispenser.

### MCC Holiday Schedule:

Our offices and warehouse will be closed Dec. 25 & 26 and Jan. 1, 2018. Best wishes to all for a joyous Holiday Season and prosperous New Year.
