Dry Cleaners and Health Care Laundries:

100% American Made Galvanized Hanger

Consistent Quality

Consistent hooks and neck twists reduce jam ups and runs smoothly through your system.

No paint chips

Nothing to chip off and injure the hands of workers. No exposure to rust.

Chrome Look

Your garments will show better and enhance your customer's image of quality.

Environmentally Friendly

The zinc coating and the wire are completely safe and recyclable.

No Rust

Our safe and long lasting galvanized finish eliminates stains and damage to garments.

Longer Life

Strict manufacturing tolerances, along with the higher tensile strength of our wire, combine to make a stronger and more durable hanger.

Shirt, Suit and Strut styles available from our stock.

It's Time to Remove Chlorinated Solvents from Your Board!

Embrace Your Environmentally Friendly future with Stain Removers from A.L. Wilson

Perc users - chlorinated solvent belongs in your machine, not on your board.

Alternative solvent users - use stain removers that align with your chosen solvent.

Replace traditional POG's and VDS's with TarGo® EF and EasyGo®, two of Wilson's high-performance, cost-effective, California-compliant stain removers. You'll be taking steps to avoid future regulatory and remediation nightmares, while providing your customers with the garment quality they desire!

EasyGo spray spotter quickly penetrates to absorb collar & cuff stains, perspiration, ground-in soil and more, all without brushing. Turn to TarGoEF to remove any tough oil based stains that remain behind.

The Evolution of Clean

Re-engineered for Today's Solvent choices

2017 Service Seminars for Washer-Extractors

September 12-15, 2017 (Washer-Extractors)

These seminars are condensed into four days, with courses covering a broad range of Milnor washer-extractors. The courses are designed to train personnel in the rapid and accurate diagnosis and repair of field problems. Also, the attendees will gain an overall understanding of how the equipment operates.

These seminars address Milnor washer-extractors ranging in capacity from 20 pounds to 700 pounds, including divided-cylinders and open-pocket designs with microprocessor controls.

September 12-15, 2017

Crowne Plaza New Orleans Airport
New Orleans, Louisiana

Washer-Extractors from 20-700 lb. capacity

Rigid-mount, Suspended,
Large Open-Pocket,
Divided Cylinder

For complete information and registration go to:
www.milnor.com/service-seminars/washer-extractor

Our Suppliers

R&B Wire Products was started in 1946 in a small tin shed in Maywood, California. Shortly thereafter, the “Self Service Laundry” industry was born. Responding to the need for personal laundry transportation, R&B invented the first wire laundry cart. Since then, R&B’s research team has been responding to the needs of their customers by expanding their product offerings

R&B WIRE PRODUCTS, INC.
YOUR TRUSTED PARTNER SINCE 1946

to sewn, tubular and roto-molded products.

Three generations later, R&B continues to manufacture hundreds of high quality products used throughout many different industries to make material handling jobs a breeze.

A Reason To Renovate

Get more out of your store with the Huebsch® 2017 A Reason to Renovate Promotion*. Receive an impressive finance amount up to \$250,000 instantly, a variable interest rate of Prime + 2.00% for the entire term and a maximum term of 84 months. The first three months are deferred – making the first payment due 90 days after funding. A standard \$300 administration fee will be capitalized into the amount financed. This financial promotion is being offered to our veteran customers only with an approval deadline of November 30th, 2017.
