

## Consultants on Demand Consultant Application

Consultants on Demand, a service offered to the members of the Morrisville Chamber of Commerce, provides first-year members in good standing three hours of free consulting services to assist in growing their business.

Consulting time provided is three one-hour increments. Time can be used with up to three different consultants or can all be used with one. During the consulting time under this program, the consultant is not to sell their services but to provide counsel. After that time, and if additional consulting is needed, the business and the consultant should consider entering into a written contractual arrangement of services. As the consultant, it is your responsibility to remind the business of the time limits to ensure that your time does not go beyond a reasonable commitment.

To become a consultant with this program, complete this form and submit to [chamber@morrisvillechamber.org](mailto:chamber@morrisvillechamber.org) or call (919) 463-7150 for assistance.
