

# Consultants on Demand

Consultants on Demand, a service offered to the members of the Morrisville Chamber of Commerce, provides first-year members in good standing three hours of free consulting services to assist in growing his or her business.

Consulting time is provided in three one-hour increments. Time can be used with up to three different consultants or can all be used with one. Once the three hours are used and if additional consulting is needed, the business and the consultant should consider entering into a written contractual arrangement of services.
