Important Messages

We Hope everyone is enjoying the season so far!

We just wanted to go over how we'll be doing payouts come the end of the season.

First off, all payouts will be based on achievements EXCLUDING HANDICAP.

Secondly, you do not have to track anything as our League Processing software will track all the following information for you.

****Pins Over Average--This goes for any one game you shoot in league that qualifies by meeting one of the outlines thresholds.**

25 Pins Over Average: \$2.00

50 Pins Over Average: \$4.00

75 Pins Over Average: \$6.00

100 Pins Over Average: \$8.00

****We will also pay each person out on the number of each series they shoot.**

500 Series: \$2.00 per series

600 Series: \$4.00 per series

700 Series: \$6.00 per series

****We will also pay out for any triplicate's shot. Meaning a bowler shoots the same score all three games of league.**

TriPLICATE: \$5.00 per triplicate.

****We are also paying the top three season high scores including individual game and series for both men and women.**

****Lastly, whatever remaining money is left will be paid out on points earned as a team. We will take balance of remaining money, divide it by total points available in the league to get a dollar amount per point won, and pay back teams based on their total points earned.**

REMEMBER: You Can Always View Your Standings Sheet Online at www.mwcoin.com > leagues > silver strike bowling
