### Important Messages

We Hope everyone is enjoying the season so far!

REMINDER: Payouts will be based on qualifying games and series' EXCLUDING HANDICAP. Payout's will break down like this:

\*\*Pins Over Average--This goes for any one game you shoot in league that qualifies by meeting one of the outlines thresholds.

25 Pins Over Average: \$2.00  
 50 Pins Over Average: \$4.00  
 75 Pins Over Average: \$6.00  
 100 Pins Over Average: \$8.00

\*\*We will also pay each person out on the number of each series they shoot.

500 Series: \$2.00 per series  
 600 Series: \$4.00 per series  
 700 Series: \$6.00 per series

\*\*We will also pay out for any triplicate's shot. Meaning a bowler shoots the same score all three games of league.

Triplicate: \$5.00 per triplicate.

\*\*We are also paying the top three season high scores including individual game and series for both men and women.

\*\*Lastly, whatever remaining money is left will be paid out on points earned as a team. We will take balance of remaining money, divide it by total points available in the league to get a dollar amount per point won, and pay back teams based on their total points earned.
