

Important Messages

Welcome to Flinstones Silver Strike Bowling Fall/Winter 2017!
We're glad you chose to participate in this league with us. We've got a few new folks this season and we hope you have fun!

A few things about the bowling season.....

1) Don't worry about tracking "baggers" or strikes in a row during your games this season, we'll be paying bowlers at end of league based on "pins over average". Example: Average = 125, You Bowl a 150 Game = \$2. All games are based on score without handicap. Our computer program will track these awards automatically for you.

25 Pins Over Average = \$2
50 Pins Over Average = \$4
75 Pins Over Average = \$6
100 Pins Over Average = \$8

2) We will also pay out at end of year regarding the number of each individual series you bowl without handicap. Don't worry about logging these on your sheets either, our program will track these for you automatically.

All 500+ Series = \$2
All 600+ Series = \$3
All 700+ Series = \$4
Triplicate (All 3 games the same) = \$5

3) Don't let your teammate down, if you can't bowl try and find a sub. Substitutes won't be added to a roster of a team unless specified. Any sub who participates may bowl on any team.

If you are gone and there is no substitute, you will receive an "ABSENT" score.
ABSENT Score = Your Average minus 10 pins.

4) There are a total of four points maximum to be won each week. One point for each team game (combined bowlers scores + combined bowler handicap) and team series (combined bowlers three game series + handicap).

5) You Can Always View Your League Statndings online at www.mwcoin.com
>leagues > silver strike bowling > scroll down to find your league.

6) Most of all, HAVE FUN.
