**Amy L. Hinck is recognized by Professional Remodeler Top 40 Under 40**

*40 of the nation's brightest stars in remodeling – young leaders shaping the future of the industry*

**MINNETONKA, MINNESOTA – July 2011** Amy L. Hinck, Accredited Kitchen & Bath Designer and Project Manager, of Orfield Design & Construction, Inc. has been recognized as one of the successful and innovative individuals representing the future of the residential construction industry. Amy holds a Bachelor of Arts Degree in Architecture, and as an avid student of any continuing education and personal benchmarks, she achieved LEED® Green Associate of U.S. Green Building Council, investing in our companies knowledge of green design, construction and operations. She started as a diligent new student and has become a creative designer with personality and inspiration that takes the time to think through how it will actually be built and includes all necessary details. She has invested the best of herself in into learning every aspect of residential remodeling as a reliable, hard-working, thoughtful and willing mentor to new hires, cautiously implementing business procedures, expeditiously facilitating project schedules and alleviates any potential concerns by direct and constant communication with clients, vendors, business partners, and sub-contractors alike, therefore validating and maintaining a trusting relationship. Amy works to achieve greater success in the women-owned minority of the residential remodeling community.

**FUN FACTS ABOUT AMY:** ACCOMPLISHMENTS: Several local and national design awards EXTRACURRICULAR: Volunteer with Twin Cities Habitat for Humanity WomenBuild, Ronald McDonald House Charities and Aeon: Homes for Generations OFF THE CLOCK: Enjoys playing on community sports teams (softball, volleyball, broomball), working out, going for walks, playing cards and traveling. FAVORITE MOVIES: "Love Actually," "The Cutting Edge" and "A League of Their Own." FAVORITE FOOD: Pizza. "I don't care whether it's frozen, homemade, or from a restaurant – it's all good!" SECRET LIFE "I grew up in northern Minnesota, where I learned to hunt deer and drive/ride my family's team of Belgian draft horses." Amy and her husband, an Energy Engineer, have been married for a year and are currently looking to purchase their first home together.

Orfield Design & Construction, Inc. is an award-winning firm that has provided creative design in residential remodeling since 1978.
