Laura L. Orfield-Skrivseth is recognized by *Professional Remodeler Top 40 Under 40*
40 of the nations brightest stars in remodeling – young leaders shaping the future of the industry

MINNETONKA, MINNESOTA – July 2011 Laura L. Orfield-Skrivseth, Accredited Kitchen & Bath Designer, Project Manager and **Co-Owner of Orfield Design & Construction, Inc.** has been recognized as one of the successful and innovative individuals representing the future of the residential construction industry, as a second-generation remodeler that is carrying on a family tradition of quality. Besides working extremely hard to improve every aspect of the company, she has poured her heart and soul into the residential remodeling industry and taken time and energy to teach creative design and encourage employees' growth & success as well. She really cares about the clients and subcontractors she works with and with honesty and humor makes sure to alleviate any client, vendor or employee concerns by being considerate of daily schedules, deadlines, and lifestyle. Her constant communication with all she works with maintains and builds a trustworthy relationship. It is doubtful that you will find another young woman in this residential remodeling industry who has implemented so many new business practices, documents and tracks projects so well, cares about her clients, and truly gets excited about each and every project detail she is working on. Laura works to achieve greater success in the women-owned minority of the residential remodeling community.
