JOSEPH HOUSE 5K

Joseph House 5K

"Serving our homeless vets, after they served us all."

The 5K run and celebration is a synergy of ideas from The Joseph House administration and Connor Thomas, President of The Goshen Military Club.

This event could not possibly benefit anyone more deserving than our military veterans. In America, we are taught to extend a hand when someone needs help. That is what the Joseph House is all about. *At The Joseph House we never leave our wounded behind.*

The 2014 Point-in-Time (PIT) count revealed that there were approximately 49,933 homeless Veterans on a single night in January 2014 in the U.S. <http://www.va.gov/homeless>

These vets fought to ensure our way of life. Our freedom and liberty is a debt that can never be paid, just appreciated.

Trivia Question Answer:

Safety Tip

Burglary Prevention

Don't Give the Burglar a Helping Hand

Unfortunately, the burglar does not need to look around very long to discover "welcome, burglar" signs unwittingly left around many homes. It is even more unfortunate when you realize that all it takes to make your home less inviting to a burglar is a little common sense and several easy, effective, and inexpensive crime prevention measures. By following the suggestions in this brochure you can decrease your chances of becoming a burglary victim.

Survey Your Home

Look at your home through a burglar's eyes. Does it look like an easy target? Are there obvious security weaknesses?

- Shrubbery should not obscure doors and windows. Trim the growth so that a burglar cannot work undetected
- At night, leave a few lights burning outside your home. Lights over doorways and garages and strategically placed floodlights will make your home less inviting to a burglar
- Windows and doors should be securely locked. Inadequate locks should be replaced or supplemented
- Make your home look occupied at all times
