Description of Business (for promoting your RC on an e-blast) approx. 50-70 words:

After the event, we will email a high resolution photo of the Ribbon Cutting to you, which you can frame for your office, publish on your social media sites and submit to Community Focus Newspaper (discount to Chamber members) to promote your business. *(We only ask that you always give photo credit to our photographer who takes the photo – and the name will be provided to you.)*

It is best to have a small reception or open house to combine with the Ribbon Cutting – with appetizers and drinks. If you would like us to provide mailing labels of Chamber members to you (at a minimal cost to cover the labels) to promote your Ribbon Cutting/Open House to your customers, please let us know.

Please email your questions to: chamberinfo@pleasanthillchamber.com. Thank you.
